

FROM THE PRESIDENT

It is an honor to welcome all new and returning members to the 2012 Los Altos Golf Association. The goal of your Board of Directors is to provide you with the best golf association in the State of New Mexico. We hope you enjoy participating in our weekend tournaments, Wednesday play, the 2 day weekend Club Championship and the 2 day Wednesday Championship.

Your board meets once a month and all members are welcome to attend our meetings. This is your organization and your input is welcome. The date and time of the meeting is available on the LAGA web site.

Here is hoping that this is your best golf year ever!
